Smith**

About me:

I have been your neighbor for 19 years in the Village of Lima and a lifelong resident of Livingston County. My Wife, Amy, and I have raised 3 children in the HF-L School District. I previously worked 30 years for the University of Rochester Medical Center. I currently work as an Assistant Center Manager for CSL Plasma, a Bio-Pharma Company.

I have been active in the Lima Community: Lima Crossroads Committee, Red Willison Baseball Board of Directors, Rainbow Lane Neighborhood Association - Food Drive for COVID relief, Lab-2-Lab - Founder.

Key Skills: Decades of experience writing and successfully funding competitive grants. Thoughtful and thorough analytical perspective. Ability to find solutions and compromises. A desire to serve. Responsible Stewardship. Ability to build and lead successful teams.

Candidate for Village of Lima Trustee

**Carolyn
FLEMING**

Hello. I am Carolyn Fleming. My husband Paul and I moved to Lima 37 years ago when we discovered Lima and knew this was where we wanted to put down roots. We bought our home and were blessed with 3 children, Claire, John and Nicholas. The Village of Lima is a wonderful place to have raised our family. I was our daughter's Girl Scout leader for 13 years, active with our boys in Cub Scouts and Boy Scouts, active with our youth in church, and I continue to teach Sunday School. I am the Day Market Manager of the Lima Farm Market. I have been elected to deacon and elder leadership positions several times at the Lima Presbytery Church. I have been Clerk of Session for the last 15 years. I worked as an engineer for GM Rochester Products/Delphi for 36 years. I am currently an adjunct professor at RIT teaching engineering.

Working as an engineer has honed my skills as a problem solver, looking at all sides of an issue, leading teams of people with varying backgrounds, and considering all possible ramifications, benefits and consequences of long-term decisions. I have a lifelong interest in health and safety having sat on the site safety board for my company, heading the emergency response medical team, and hazardous material review board for 30+ years.

These are some of the things that are important to me:

Keeping our community current with communications and infrastructure while minimizing village tax increases.

I am positive about all of the new business in our downtown.

I am focused on getting and retaining business in Lima.

I support the Dog Park.

After 37 years of enjoying the benefits of living in the Village of Lima, I would like to pay it forward by doing my share as a Village Trustee, and keeping our community a vibrant place to live. I would appreciate your vote on March 16, 2021.
